Just making sure that all the we spoke about previously is good to go. The request summary that all coordinates for your containment on different days (11-12 MAR being different areas than 14- the maps again which depict these areas for their respective dates. If all coordinates contain summary and maps still work for you, I will go ahead and approve the request as I see [redacted] has for you. Please confirm that you can work within these guidelines so we can move forward. That

Thank you,
